**Robert Twigger : Real Men Eat Puffer Fish** before purchasing it in order to gage whether or not it would be worth my time, and all praised Real Men Eat Puffer Fish:

The Dangerous Book for Men, not boys Every man has faced that emergency where a car needs to be broken into and hot-wired; just as every man needs to be able to mix the perfect dry Martini. The world is a dangerous and

unpredictable place; a man never knows when he might be called upon to start a fire with just a coke can, win at croquet or drive a T34 tank. Twigger has plenty of experience of facing down bears, building coracles, swimming with sharks - now he shows every man how to cook a hedgehog, commit hara-kiri and land a Boeing 747.
