What are the reasons for voting Trump into the White House? Any self-respecting Democrat would tell you, NONE! There is no reason for voting Trump! This book consist of 100 intentionally blank pages, to symbolically represent 100 nonexistent reasons to vote for Trump, a powerful yet subdue symbol for saying NO to Trump. Get this book to demonstrate your defiance against Trump and what he stands for. Take a stand with this book. Better still, give it to your politically neutral neighbor in an attempt to sway his vote. This book would also make a great gift to a Democrat, or anyone who don't support Trump. Or you can simply use the blank pages as a notebook or a journal with a witty cover. That is unless you want to support a guy with a weird hair-do as the boss of White House.
