**Ebenezer Bean : Rebel Rhymes: Fairy Stories for Misfits** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rebel Rhymes: Fairy Stories for Misfits:

Rebel Rhymes is an absolutely hilarious collection of poems based loosely (some more loosely than others) on the childrens stories written by the Brothers Grimm, Hans Christian Andersen and other storytellers. Thoroughly

recommended for children of all ages well, more or less all. And grownups. Especially grownups.
