By BarryShu This book is hysterical, and especially so if you're a member of Red Sox Nation! Flavin is a master of language, and he has the observational powers of the veteran newsman he once was before finding his true calling in baseball!

From the voice of Fenway Park comes a collection of sixty-four humorous and nostalgic poems celebrating the Boston

Red Sox. A commonwealth institution and popular local television personality who is also the announcer, ambassador, and poet laureate for Fenway Park, Dick Flavin has entertained audiences with his incredible poetic talent and abiding love for the Red Sox before countless home games for more than twenty years. Now, this legendary talents poems are gathered together for the first time in this keepsake volume. As a beloved Red Sox insider, Flavin has been privileged to watch history in the making, from the teams 2004 World Series victory that finally broke its nearly century-long curse, to road-tripping with Dom DiMaggio and Johnny Pesky, to witnessing Ted Williams final appearance at the plate. His pithy and comedic verses including such gems as The Beards of Summer, Long Live Fenway Park, and his best known, Teddy at the Bat pay homage to the American pastime, New Englands favorite team and players (and the curses and legends that have followed it), and the passionate Nation that has remained faithful through victory and defeat. Illustrated with more than fifty photos from the official Red Sox archives, Red Sox Rhymes honors all of Red Sox fandom and is an essential memento for every BoSox fan.

These verses are so charming, so full of fun and laughter, that I found myself reading them aloud to every person who came into my room! This collection is a treasure! (Doris Kearns Goodwin- Author, historian) I have been chuckling over Dicks verses for many years, but they are more than just laughs. There is wisdom here - lots of it.
