"Redneck Classic" Review (From a Redneck's Daughter)By A CustomerI think this is a very funny book, although some of the jokes are too gross. It has clips from many of Foxworthy's various redneck books, like "You Might Be A Redneck If", "Games Rednecks Play", "Hick is Chic". Overall, it's a pretty good book. I'm getting it for my dad for Father's Day. I'm sure he'll love it. :)

This volume picks the most memorable lines from all six previous books and offer approximately 25 percent new material, including 150 previously unpublished You Might Be A Redneck If... punch lines. Let the laughter roll on.
