JoeWhen I was a kid, I remember having the book "101 Elephant Jokes". It was full of silly illustrations, groaner puns, and jokes that spanned the dial from roll-your-eyes to laugh-out-loud. Redneck Zombie Jokes brings that winning formula into the un-dead 21st Century. This is a fun and funny book for any Walking Dead fan with a sense of humor. Perfect literature for the Bathroom Library. A great gift for the brain-eating punster in your life. Younger readers may learn a few new words, and the rest of us will smirk broadly as we see those words wielded in wonderfully wacky ways.0 of 0 people found the following review helpful. he will love it.By Sharon JonesZombies are really popular now...bought this for my neighbor boy for graduation...he will love it....Thanks KK for "writing" these books.0 of 0 people found the following review helpful.
