Just lots of funny, adorable photos of a metrosexual dog living The Life. I turn a page whenever I need a mood lift. 1 of 1 people found the following review helpful. Its prominently displayed on my coffee table where all my guests have enjoyed it as well. So fun seeing this cute and snarky little dog on his adventures in NYC. Whoever wrote it is hilarious. Highly recommend it!

Fierce. Flawless. Frenchie. With opinions on brunch (always boozy), work (something for lesser life forms), and everything (really, everything) in between, René-Charles is the ultimate New York City tastemaker. Whether he's

dining at the finest restaurants or luxuriating in his king-size bed, this discerning French bulldog accepts nothing less than the best. And if you don't meet his standards? Well, he'll let you know.
