Bill Crawford : Republicans Do the Dumbest Things before purchasing it in order to gage whether or not it would be worth my time, and all praised Republicans Do the Dumbest Things:

3 of 4 people found the following review helpful. Perfect!By A CustomerA brilliant skewering of prominent hypocrites (whoops! I meant Republicans). Bill Crawford relentlessly exposes the inanity of the Republican party by quoting only a fraction of the dumb things they said. Some times you want to laugh, other times you want to weep when you recall that the people quoted in this book hold very prominent and powerful positions in the government.

Either way, a very enjoyable book.
