Janis Cline : Resume and Interview Mistakes before purchasing it in order to gage whether or not it would be worth my time, and all praised Resume and Interview Mistakes:

0 of 0 people found the following review helpful. Five StarsBy Amy C.A laugh out loud book showcasing actual job applicant fails.0 of 0 people found the following review helpful. The book would make great training for HR folksBy R MushroomThis woman has been collecting job application faux pas for years and these blunders are hysterical. The book would make great training for HR folks... or students in a grammar class. Def worth reading.0 of 0 people found the following review helpful. Serious resume tips with a light-hearted twistBy CustomerA collection of helpful resume

tips and funny job search blunders that made me laugh .

A funny compilation of actual things read and heard by a seasoned recruiter with some commentary inserted. A good read for both job applicants and Human Resource professionals.
