Robert Johnston OD FAAO : Retina, Vitreous, and Choroid: Clinical Procedures, 1e (Clinical Procedures Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Retina, Vitreous, and Choroid: Clinical Procedures, 1e (Clinical Procedures Series):

This practical manual offers concise explanations of the techniques involved in examination procedures for the inner eye (retina, vitreous, choroid). The author offers clinical pearls regarding the value, advantages and disadvantages, and risks and benefits of different techniques.
