Robert Goldwyn : Retired, Not Dead before purchasing it in order to gage whether or not it would be worth my time, and all praised Retired, Not Dead:

1 of 2 people found the following review helpful. a life well livedBy Norman D. Levinedr. robert goldwyn is a leading plastic surgeon and professor of surgery at harvard medical school. for many years he was editor in chief of the journal of plastic and reconstructive surgery. his brilliant editorials have been collected and published in an earlier volume.now, retired, he has written an equally brilliant book of essays and reflections on his remarkable life. the

pieces are brief, engaging, wise and often hilarious. dr. goldwyn has offered his readers a measure of insight rarely accessible and of profound value to any person with eyes to see and ears to hear. we learn that a remarkably accomplished professional can retain his humility, humanity and sense of humor in triumph and tragedy. his book is a pleasure to read. and life-affirming.among many other achievements he worked as a surgeon with dr. albert schweitzer at his hospital in gabon, west africa. he volunteered his services operating on the war-wounded in pakistan. he has travelled widelyand made many loyal friends around the world.truly a document of a remarkable, admired and warm person. a life well-lived.his memoir deserves to be read widely. it will well reward its readers.0 of 0 people found the following review helpful. Bar-meiri have just had the pleasure of reading this great book.i loved it because it was as if i was sitting and talking to a great man, 'King Solomon of the Modern Era'- Bob Goldwyn !Eran Bar-Meir

Robert Goldwyn M.D., a legendary plastic surgeon, offers a highly personal and witty reflections on a life well lived. Full of humor and wisdom.

The short period of time that is granted to us in this life is enlarged by the constant search for knowledge and the desire to share it. In this delightful book, with his witty and charming style, Robert Goldwyn shares with us his enormous medical and humanistic culture acquired in a life dedicated to the art of living. --Prof. Ivo PitanguyAbout the AuthorDr Goldwyn is a renowned American plastic surgeon and a much loved and respected former editor in chief of the Journal of Plastic and Reconstructive Surgery in the USA.
