Bonnie Louise Kuchler : Retirement Is a Full-time Job: And You're the Boss! (gift book) before purchasing it in order to gage whether or not it would be worth my time, and all praised Retirement Is a Full-time Job: And You're the Boss! (gift book):

7 of 8 people found the following review helpful. Cute, not nastyBy Merle K. GatewoodAs others have noted this book is quite small, so it's not much of a retirement party gift for the price. I put it with two other small retirement-related items in a gift bag. Since the recipient is retiring somewhat early to care for a grandchild, the standard retirement jokes are inappropriate. This one is not as nasty as retirement books often are about growing old and doing nothing. The captions are mildly humorous. Some of the quotations by famous people are clever and ring true. The animal pictures are darling. The person I gave it to likes "cute" a lot more than I do, so she seemed to like it. It was fun for other guests to look through. As someone suggested, it would be great for a group to sign this in place of a card, but I couldn't arrange that.3 of 3 people found the following review helpful. Good giftBy TerriI bought this for a good friend's early retirement. It's a small, hardcover book that was very cute. To go with this, I bought an "old man outfit" of flowered shirt, plaid shorts, black slide sandals and of course they were stuffed with white socks!2 of 2 people found the following review helpful. Cute postcard substituteBy KseniyaCoworker really loved it. Kind of substitutes the traditional retirement postcards, you also don't have to think of wishes to write)) Very colorful

A lighthearted gift book for retirees. In the next 20 years, over 60 million baby boomers will celebrate the passage into

that new lifestyle of simple pleasures and sagging body parts. As they face spending lots of time without spending lots of money, the best antidote for this epidemic is laughter--and lots of it. This fun collection of colorful quotes and photos is a perfect dose.

About the Author Bonnie Louise Kuchler is the author of 26 gift books, with over 365,000 copies sold. Bestsellers include *Just Sisters*, *Just Girlfriends*, *Retirement Is a Full-time Job*, and *One Heart*. She and her husband live on the Olympic Peninsula of Washington State, where wildlife mosey, mountains touch the sea, and ancient trees breathe. A quenchless nature lover and gardener, Bonnie's biggest thoughts come from tiny seedlings and towering evergreens.
