Banana meatloaf, tuna Jell-O salad, and Spam smoothies bordering on tummy-turners to downright doubtful, RETRO FOOD FIASCOS is a showcase of culinary curiosities from some of America's favorite magazines, cookbooks, and food companies. In the name of nutrition and creative cooking, the marketing and recipe writers of the 1950s cooked up some very suspicious combinations. Innovations in food processing and new products tempted everyone to play with their food from the amateur cook to the professional chef. And the results? Well let you be the judge. The pages are filled with actual recipes and images of some of the most daring dishes to ever leave the kitchen. So get out your Jell-O mold, canned meat, and best casserole dish it's time to get funky and answer the question "What were they thinking?"

From the Publisher* Recipes include Fiesta Peach-Spam Loaf, Hot Turkey Surprise, Tomato Soup Cake, and Lime and Cottage Cheese Loaf. With 125 photos and illustrations of wacky and wonderful foods.
