Rev. Adenoids Church Announcements is the newest release from J. Anthony Brown, co-host of the nationally syndicated Tom Joyner Morning Show. In this anecdotal pocket-sized book, J. shares his light-hearted church observations using familiar characters to illustrate the humor among church-goers. Rev. Adenoids' Church Announcements is divided into 17 chapters with topics such as Committee Meetings, Choir Rehearsals, Church Fundraisers and Tithes/Offerings. The book does not ridicule religion, but merely reports the events that Brown has observed. The following are some sample announcements: If you attended the pastors pool party last week, it counts as

a baptism. Women who like to talk about the pastors wife will meet in the ladies room at 11:00 a.m.. People who lie about their tithing will meet in the auditorium. In response to all the complaints we got last year, at this years Easter egg hunt, the kids will look for African-American eggs instead of colored eggs.
