**Roald Dahl : Revolting Rhymes** before purchasing it in order to gage whether or not it would be worth my time, and all praised Revolting Rhymes:

1 of 1 people found the following review helpful. THE SEMINAL CLASSIC!!!By Courtney NThese rhymes are delightful in their naughtiness, they are simply infused with joy, I am powerless to contain my smile when I read them. My absolute favorite by Roald Dahl, I cannot recommend this book highly enough!0 of 0 people found the following review helpful. Revolting Fun!By ClaireFrom the brilliant mind that gave us "James and the Giant Peach," "Matilda," "Charlie and the Chocolate Factory" and many others comes this lesser-known book that I grew up with. I adored this book as a kid, though beware, as the rhymes are indeed "revolting" and some include language that I'm not comfortable reading aloud to my third and fourth grade students ("slut" being one that comes to mind in this version of Cinderella). With some minor alterations, however, this book makes many laughs and is a cherished part of my Dahl collection.0 of 0 people found the following review helpful. excellent - purchased to read to my Grand daughter when

...By James, Miami, FL Again, excellent - purchased to read to my Grand daughter when she reaches, say 2-3 years old - can't wait

A collection of comic and often gory versions of popular fairy tales. Meet Cinderella, a young woman who wants to marry a nice ordinary man; and Goldilocks, that house-breaker who gobbles up your porridge and then breaks up the Chippendale.

From Publishers Weekly This spring, two Roald Dahl classics reappear in collector's editions. In Roald Dahl's *Revolting Rhymes*, illus. in full color by Quentin Blake, originally published in 1982, the author puts his distinctive satirical spin on six traditional tales including "Snow White" ("From now on, Queen, you're Number Two. Snow White is prettier than you!" says the Magic Mirror) and "The Three Little Pigs." *Danny the Champion of the World*, originally published in 1975, also illus. with pen-and-ink drawings by Blake, tells the story of a nine-year-old boy learning the art of poaching at his beloved father's knee (the BFG also makes an appearance here). Both volumes close with an interview given by the author in 1988, two years before his death. Copyright 2002 Cahners Business Information, Inc. A sophisticated spoof. -- *The Bulletin of the Center for Children's Books* Verses featuring mayhem, greed, betrayals and murder, from two gifted collaborators. -- Publishers Weekly From the Inside Flap I guess you think you know this story. You don't. The real one's much more gory. The phoney one, the one you know, was cooked up years and years ago. . . . With his famous wicked humor and the cunning of a big bad wolf, master storyteller and satirist Roald Dahl retells his six favorite fairy tales. Get ready for Dahl's diabolical version of what really happened to Cinderella, Goldilocks, the Three Little Pigs, Jack and the Beanstalk, Snow White, and Little Red Riding Hood. From the Hardcover edition.
