Yes, the book is a bit over the top, but as Mr. Boyland said, that was the intent. I do recommend reading it. While his scenario is unlikely, (I HOPE!), it is an interesting

one. Be advised, he does leave this book on a bit of a cliffhanger and he did it on purpose. The author has no plans for a sequel. Personally, I'm good with that. 1 of 1 people found the following review helpful. Not funny, but very interesting. By Jay81 Well done, Mr. Boyland. I really enjoyed this book. I have no qualms whatsoever with giving it 5 stars. It did start off a bit slow and Col. Savage was a bit too much of a villain, but after a few chapters events speeded up and eventually Col. Savage got his just deserts. Yea! And I really liked the ending. I think you could have added one more chapter just to tie up the loose ends after "golfer" got splattered. Recall elections would have been a splendid idea! I realize that this story is fictitious but our country is really in a mess. This story did an excellent job of discussing some of the problems facing us. Frankly, I am wondering which straw will eventually break the camels back and prove to be the next "Fort Sumter" event of our age. I DO believe that it is on its way. One other thing I am wondering. Why only 17 reviews of this book? 7 of 7 people found the following review helpful. Rare 5 star book By Eric H. This is simply one of the best books detailing the problems we face today. Rarely do I give 5 stars but in this case it is fully warranted. The story was real and relevant. It flowed seamlessly. It is a very real look at where we are and where we are most likely headed. Kudos to the Mr Boyland.

Democrats win control of the House and Senate in 2014, and pass sweeping gun control legislation. Constitutionalists and gun owners rally to defend their Second and Fourth Amendment rights. States begin to defy the federal government and clashes occur. The military must choose between obeying the Commander in Chief's orders, or supporting their oath to defend the Constitution. Resistance begins in various locations, and then spreads across the nation. Patriots rally to take back America.
