RHS : RHS Pocket Floral Colouring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised RHS Pocket Floral Colouring Book:

This pocket edition RHS colouring book contains forty-five beautiful floral images from the world-famous RHS Lindley Library. Each image is interpreted as a pattern to colour, taking inspiration from the forms and shapes of each flower. Use the colour images to inspire you, or give your creations colours of your own choosing.

About the AuthorThe Royal Horticultural Society was founded in 1804 and has established itself as the UK's leading gardening charity, with the aim of inspiring passion and excellence in the science, art and practice of horticulture. The world-famous RHS Lindley Library holds unique collections of early printed books on gardening, botanical art and photographs.
