Kirk N Smith : Rice Krispies with Ketchup: A Comedians Journey with an autistic child before purchasing it in order to gage whether or not it would be worth my time, and all praised Rice Krispies with Ketchup: A Comedians Journey with an autistic child:

1 of 1 people found the following review helpful. You will enjoy this book!By MaryMy husband and I met Kirk and his family while we were on a trip in Ecuador. While reading Kirk's book, I found I could picture him speaking the

words because his writing is so authentic. I grew up with a disabled father and I understand the challenges of living a life where someone needs you so much more than "normal". Kirk's book brings a light to what would be considered a dark situation. His storytelling is wonderfully filled with what is "normal" in his and his son's life - like rice krispies with ketchup. Kirk shares his life and travels in the ways he finds the humor/silliness in people and situations. You will enjoy reading this book!!!!0 of 0 people found the following review helpful. A memoir that leaves you with golden nuggets to live byBy Dwayne PerkinsThanks to Kirk for sharing his story and ways to power on when dealt a bad hand.I'd love to hear how the story ends as his son goes into physical adulthood.2 of 2 people found the following review helpful. FascinatingBy CustomerFascinating insight as to what it is like to live with an autistic child. I love how the author blends his personal life's experiences, the troubles and challenges he encounters while parenting an autistic son mixed with a unique twist of humor. The lessons he learned from this journey will be encouraging to one whether they have an autistic child or not. A heart-wrenching, heart-warming read.

Rice Krispi's and Ketchup: A Comedian's Journey with an Autistic Child is a hilariously honest, painful and heartwarming account of a family's daily struggle with loving and caring for a special needs child. Author and standup comedian, Kirk Smith's account of the challenges and the lessons his family has learned are equal parts heartbreaking, funny, and uplifting. The author provides astute and timely advice that every family, no matter what specific challenges they face, needs to hear. Through laughter and tears Smith finds a way to come to peace with his son's limitations, motivates his readers to live life fully and provides what families in similar situations need--HOPE.
