Karl Pilkington : Ricky Gervais Presents: The World of Karl Pilkington before purchasing it in order to gage whether or not it would be worth my time, and all praised Ricky Gervais Presents: The World of Karl Pilkington:

0 of 0 people found the following review helpful. Five StarsBy Oghma InfiniumA great compilation of some of the XFM podcasts and excerpts from Karl's diary.0 of 0 people found the following review helpful. Wonderful Book!!!!By Gary BiggsI'm a huge fan of Karl Pilkington and Ricky Gervais, so anything they do together is well worth reading. But the shallow and inane comments that Steve Merchant makes throughout the book are maddening, absolutely stupid, and abt as unfunny as they can get. Despite Steve's constant interruptions, it's a wonderful book. I highly recommend it.0 of 0 people found the following review helpful. The world of Karl PilkingtonBy RodgeriLaughed and was entertained and used the word 'and' a lot and there it is again. Karl Pilkington is always

worth reading and I always get a laugh. This book is one of his better ones. I'm reading, 'The Further Adventures of Karl Pilkington' at the moment, which I don't think is as good as this book but it's still worth reading. Good on ya Karl. Keep 'em coming.

In this pithy and hilarious book, Karl Pilkington is in conversation with (the often bewildered) Ricky Gervais and Stephen Merchant, the writers and stars of *The Office* and *Extras*, unwittingly outwitting even those comedy Goliaths as he struggles in vain to make sense of the world around him. Unencumbered by erudition and impervious to logic, Karl ambles down a heuristic path to enlightenment under the edifying influence of Ricky and Steve. His pronouncements on such diverse and contentious topics as population control, simian affairs within human society, the sartorial deliberations of solitary spacemen and how long you can stay alive with your head chopped off, are matched in the vehemence with which they are proposed only by the degree to which they are ill-conceived. Featuring Karl's original illustrations, imaginative scribbles and the best conversations of the world record-breaking Podcasts, *The Ricky Gervais Show*, this is a unique trip into the world of one of our most innovative thinkers, visionaries and prophets, or as Gervais knows him, "the funniest man I've ever met."

About the Author Karl Pilkington is a radio producer previously best known for producing *The Ricky Gervais Show* on UK's Xfm radio. He has now reached an international audience through his appearances with Ricky Gervais and Stephen Merchant on *The Ricky Gervais Show* podcast. He lives in London; this is his first book. Ricky Gervais and Stephen Merchant are long-time collaborators and are the comic geniuses behind *The Office* and *Extras*.
