Pelican Puzzles : Riddles: For Kids Family (Riddles For Kids, Books For Kids) before purchasing it in order to gage whether or not it would be worth my time, and all praised Riddles: For Kids Family (Riddles For Kids, Books For Kids):

0 of 0 people found the following review helpful. Funny riddlesBy Jbarr5Riddles: For Kids Family (Riddles For Kids, Books For Kids)What I like about this book is the answers are also available at the click of your finger-you don't have to go to the very back of the book for them.Broken up into easy, medium or hard riddles. Some of them are so obvious

but they are not. Great for kids and adults alike. 0 of 0 people found the following review helpful. Riddles For Everyone By Kevin Roy After a long time I got a chance to read a book that is full of interest for the people of any age. I have learned lots of challenging and interesting riddles for the first time and that's why this book stands out for me. 0 of 0 people found the following review helpful. Just okay By Sam Just okay. I already know most of these riddles. I want something new.

Discover 200 Fun Challenging Riddles! "Riddles For Kids Family" contains 200 fun and challenging riddles aimed mainly at children aged 6-12, as well as their parents, siblings and friends. All of the riddles are arranged by four difficulty ratings: Easy, Moderate, Hard and Very Hard. The four sections of the book contain 50 riddles each. This provides you with a gradual, nice and steady increase in challenge as you go — great for improving logical thinking skills and overall mental development! The book is easy to use. To find the answer to a riddle, simply turn the page of a riddle and look to the bottom right. Remember, your mind is much like a muscle; use it often and push it to the limit, and it will get better and stronger with time. This book, with its 200 varied and challenging riddles, will assist you in doing just that!
