Nick Fonda : Roads to Richmond: Portraits of Quebec's Eastern Townships before purchasing it in order to gage whether or not it would be worth my time, and all praised Roads to Richmond: Portraits of Quebec's Eastern Townships:

Part history, part travelogue, this charming guide introduces the unassuming but unforgettable people who live and work in the Eastern Townships—the tree-clad, rolling foothills nestled between the St. Lawrence River and the

American border. Written in a tongue-in-cheek style by an award-winning journalist, the accounts of quirky people and interesting towns provide plenty of armchair reading—and the attractions of the area will surely beckon to travelers who hope to find the quintessential Canada.

“Nick Fonda has captured the essence of one of the most unique areas within Canada. This book is full of specific insights into a specific place. It possesses both truth and charm which, in today’s world, is a rare combination. It will both enlighten and entertain. Buy it. Read it. Think and ponder universal truths.” —Alistair MacLeod, prize-winning author of *No Great Mischief*
