There is actually a picture of me in there (but I am incognito as my face is turned away!) so perhaps I'm somewhat biased, but truly I think the book is lots of fun. I've enjoyed sharing it with friends and I'll definitely be getting some extra copies as stocking stuffers for the holidays as everybody who has seen it has gotten a kick out of reading it. Good fun!0 of 0 people found the following review helpful. Thanks!By Dragon BeaucheneThis was a very good product and I would buy more in the near future! Thank you very much! accompanied by funny captions. Some of the amazing categories include festive fun, vintage ugly, homemade hits and misses, pets rocking ugly Christmas sweaters, and much more.

Guest of a Guest: Los Angeles "...one of the sponsors of his party sells some pretty jaw-droppingly hideous Hanukkah sweaters, hats and even dresses. With weird colors, ungainly attached items, bells, and even blinking lights, these sweaters cover all the bases of what an ugly holiday sweater could hope for..." Los Angeles Times "Looking to score an ugly Christmas sweater this year? Arguably the best (or worst, depending on your viewpoint) examples are on the website [myuglychristmassweater.com](http://myuglychristmassweater.com), where fringed Santas and stuffed reindeer heads go to die." Coco Perez "Appropriately titled My Ugly Christmas Sweaters, [the site] offers an array of sweaters that light up, sparkle and make you go 'eww.'" The Atlantic Wire "...one need look no futher than the website [myuglychristmassweater.com](http://myuglychristmassweater.com)—whose inventory includes a vest decorated with a stuffed animal reindeer head and battery-powered light-up antlers..." Boston Bibliophile blog "... this book displays a wide array of the crazy, the tacky and the just-plain-wonderful when it comes to Christmas sweaters."
