Read The Review.By Saint TattersFor this type of book it cannot be said there is a plot as there is not; The mood cannot be described as any of the above since raunchy hilarious better fills the bill; the pace is whatever you make it (how else for a dictionary?); and describing the characters? Does Not Apply! Unless you refer to the character of the book itself, which would be raunchy.What else would you expect from a profanity dictionary?1 of 1 people found the following review helpful. Best book ever.By Jason M.What a delightful treasure of literature.1 of 1 people found the following review helpful. Ther Finest Book EverBy Micah J. WaldmanThis is the most intellectual learning tool I have ever had for reading and Learning while on the can. This book contains insite into the world of fat slags.
