review helpful. This book is hilariousBy LyleThe English have a very interesting take on the way they express their epithets!!!There is a staggering amount of very funny profanity definitions... Great bog fodder and some very creative swearing =- this book will make you laugh out loud!!!

The ultimate in schoolboy humor, this is the book for anyone who truly loves Viz humor! Roger Mellie presents a new edition of his classic dictionary of swearing that gives a hilarious new angle to many previously innocently used words. Fully updated for the new millennium with definitions culled from the intellects of Viz's finest readers, this is positively the last word in contemporary profanity.

About the AuthorRoger Mellie, a keen disciple of 'tossed salad' and never known to turn down a 'vicar's calling card' is ably assisted by Prof. Bernard Fuck, a well known exponent of the 'Cyprus manoeuvre'.
