Rib Gustafson : Room to Roam before purchasing it in order to gauge whether or not it would be worth my time, and all praised Room to Roam:

0 of 0 people found the following review helpful. Montana Chill By Jill Bemis This short seventy-seven page contains short 1-2 page snapshots of veterinary challenges in rural Montana Two Medicine County. Bitter weather and unplowed or maintained roads were more challenging than the cases described.

Room to Roam, the sequel to Rib Gustafson's best-selling *Under the Chinook Arch*, features more pithy and humorous tales from the life of a veterinarian whose practice encompasses much of Montana's Two Medicine country. Horse vaccines, pampered pets, Rocky Mountain oysters, and winter underwear come up as targets for Rib's regional wit. Room to Roam also features Rib's cowboy verses, plus one lyric by a star in the next generation of Gustafsons, Rib's son Wylie, of country music fame.

From the Back Cover More humorous accounts of Rib's long and varied life in the Two Medicine country of north-central Montana. A sequel to the best-selling '*Under the Chinook Arch*.'
