Martin Davis : Rube Goldberg on Golf before purchasing it in order to gage whether or not it would be worth my time, and all praised Rube Goldberg on Golf:

This entertaining compendium brings together Rube Goldberg’s best golf cartoons. Goldberg’s fanciful “invention” drawings were a popular feature of magazines and newspapers in the early 20th century, and the full-color digitally mastered images created for this book bring the original black-and-white cartoons to vivid life on the page. His hilariously complicated solutions to golfers’ familiar problems such as “How to Get a Slow Foursome off the Green” and “Neglected Wives Take Action against Golfing Husbands” will appeal to expert and amateur golfers as well as fans of Goldberg’s creative genius.

About the AuthorMartin Davis is the editor and publisher of the publishing company the American Golfer, best known for lavishly produced coffee-table books on the greats of the game, including Ben Hogan, Bobby Jones, Byron Nelson, and Jack Nicklaus. He is a member of the Golf Collector’s Society of America, provides historical commentary for the Golf Channel, and occasionally contributes to the New York Times. He lives in Greenwich, Connecticut.
