D. Streamer, Harry Graham : Ruthless Rhymes For Heartless Homes (1902) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ruthless Rhymes For Heartless Homes (1902):

0 of 0 people found the following review helpful. Dark, dated but delicious humorBy Jerry7171There are some real gems here, but there are a lot of clunkers too. The author was good, but his writing was inconsistent and either hits the mark perfectly (such as with many of his "Little Willie" poems) or flops painfully in others.I'd still recommend this title since the price is more than reasonable and it has some wonderful little dark ditties that still make me chuckle from time to time.Not that this last remark is all that important, but the material is a little dated. Most people might not

understand the punchlines since they were written almost a century ago in the colloquial English of that time. The one that springs to mind right away is a Little Willie poem that uses the words quicksilver and mercury interchangeably for the punchline. I have yet to have mentioned the word "quicksilver" to anyone under 60+ years old who knew what it actually was. If you know what it is right away, you'll really get a good chuckle.0 of 0 people found the following review helpful. An ArtefactBy CustomerAlmost a precursor to stand up comedy but old and now the jokes are somewhat stale. Maybe interesting for someone curious about English sensibilities at the time.0 of 0 people found the following review helpful. WowBy MB2126Hardcore baby. They definitely had some built emotions they where trying to release during the writings in here,lol. It was a fun crowd shocking pleaser though.

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.
