Harry Graham : Ruthless Rhymes for Heartless Homes and More Ruthless Rhymes (Hilarious Stories) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ruthless Rhymes for Heartless Homes and More Ruthless Rhymes (Hilarious Stories):

0 of 0 people found the following review helpful. Seeing them in print format has been fun. By Amanda G Nordmark This is a small book full of rhymes I grew up with in my family. Seeing them in print format has been fun. 2 of 2 people found the following review helpful. Ruthless Rhymes for Heartless Homes and More By L. Thompson While doing some research I ran across this type of rhyme and did a quick search for it. I found this little treasure chock full of them. Being older and wiser in the ways of the world, I may have grown a bit cynical and these rhymes flat out tickled me. Some were shocking, if taken literally, but maybe thoughts that have passed through our minds at times. Many surprising ones too. This is a great collection of rhymes of this type and I was thrilled to find this book. Have added it to my collection and highly recommend this book. 3 of 3 people found the following review helpful. I may be a sick bastard. But I received Ruthless By JOHN GODFREY Rhymes as one of my first books from my much beloved "veddy English" granny. Granny has been gone a long time I lost my copy 40 years ago. I never forgot it. I saw it on sale at snapped one up. Not a classical book of poetry, maybe not even classy. Doggerel is the easiest type of poetry to remember. It is perverse, clever cruel. You may even laugh out loud. I have not met a person who has not at least smiled. That may say something about the company I keep. It's the most fun you can have with poetry.

For readers with an aversion to syrupy verse: a delightful, inexpensively priced collection of vintage verse with an amusingly irreverent mood. 49 examples of rare 19th-century black humor each accompanied by clever drawings will delight readers with their stinging humor and outrageous wit.
