Leland Gregory : S Is for Stupid: An Encyclopedia of Stupidity (Stupid History) before purchasing it in order to gage whether or not it would be worth my time, and all praised S Is for Stupid: An Encyclopedia of Stupidity (Stupid History):

0 of 0 people found the following review helpful. An informative, interesting and amusing book on the numerous dumb and stupid things people often do.By Joseph J. TruncalaThis book proves the point that no matter how smart, educated and informed people are, they will still do absolutely stupid things. I think we all have had incidents where

we called ourselves stupid for some thing we have done, but whatever you have done in the past does not compare with some of these incidents. This 406 page book is organized from A to Z to make it easy to read. This is just a few of the numerous topics covered in this amusing and funny book: The A section has stupid things done in advertising, agriculture, airplanes, alcohol, alligators, the Amish, art and automobiles. B, covers banks, bicycles, the blind, the border and bullets. C, has amusing things about the dead, defense, dentists, doughnuts and drugs. F, deals with family, felines, feuds, fireworks, flatulence, football and fudge. P, is about stupid things politicians do (This probably could be an entire book by itself), praying, presidents, prisoners and psychiatry. S, covers a lot of interesting topics such as science, seat belts, sex, sharks, sheep, signs, snakes, stupidity and suicide. This short review cannot do this book justice because there are hundreds of stupid and funny things which will keep you turning the pages. If you are seeking a book that will entertain you with its wit and humorous stupid things you may want to check out this volume. It is a good read. Rating: 4 Stars. Joseph J. Truncale (Author: Never Trust a Politician: A critical review of politics and politicians). 1 of 1 people found the following review helpful. Not as great as I anticipated. By C. Langford Book came on time and in good condition but the book itself is not exactly what I thought it would be. Not as funny or interesting as I anticipated. 1 of 1 people found the following review helpful. Great entertainment. By KC Jones A fun read for those who enjoy bite-size chunks of fun and funky information. A great bedtime or bathroom reader for when you want to spend 5 minutes or 5 hours - your call.

With his best-selling track record, Gregory is one of America's most successful non-cartoon humorists. Stupid American History was #12 on the New York Times paperback best-seller list in July 2009. From absurd 911 calls to presidential philosophizing and foolish felons, Leland Gregory generates the best laughs by exposing the worst of human nature. Collectively, his humor collections have sold more than 500,000 copies and generated two New York Times best-sellers. Inside S Is for Stupid, Gregory sets his sights on the stupidest of stupid with a "best-of" collection featuring 50 percent new material and 50 percent fan favorites. As Gregory's largest collection yet, S Is for Stupid features more than 350 pages of outrageous stories, trivia, and factoids organized alphabetically by topic. Such entries include: * The following is a doctor's actual diagnostic notation: The patient is married but sexually active. * "Shooting Reported at Firing Range" --the State, Columbia, South Carolina, August 4, 2006 * Arrested for public urination in Bowling Green, Ohio: Mr. Joshua Pees. --the Sentinel-Tribune, Bowling Green, Ohio, September 5, 2001 Because the stories Gregory chronicles are just that unbelievable, each anecdote, quote, or factoid is presented with relevant background information, including its verified news source.

About the Author? The jokes, wacky anecdotes, and inane quotes in Leland Gregory's Stupid-themed anthologies showcase the best of human nature at its worst. Through his Twitter handle of @ChronicStupid, Leland shares headlines, quips, and unbelievable feats of folly culled from print, online, and broadcast media around the globe. He has authored more than a dozen humor titles, including What's the Number for 911? and the New York Times best-sellers Stupid American History and America's Dumbest Criminals. A tireless promoter, he has made hundreds of radio and television appearances, including multiple appearances on NBC's Today show.
