The instructions and illustrations are hilarious, and the thick "pages" are perfect. Everyone gets a huge kick out of the spinner/Wheel of Responsibility! I buy a few of these at a time (along with the Safe Baby Pregnancy Tips) to gift to friends at baby showers and first visits. 0 of 0 people found the following review helpful. Fun for all! By cainro Best book for new parents out there. Who doesn't need a little humor when faced with the lack of sleep that a baby imposes? My little girl actually started to learn to read on this book. She was so amused by the pictures, and eventually recognized the "do" "don't" and "correct" "incorrect!" Fun for all!! 0 of 0 people found the following review helpful. Funny book for adults. By Jim YHilarious book. It's a board book for adults. I bought this as part of my wife's mother's day gift. We got a kick out of it. I wish it were longer, though. The spinner on the front is a nice touch.

With its laugh-out-loud guidance on baby care, Safe Baby Handling Tips is a must-have for anyone overwhelmed—and befuddled—when it comes to caring for their bundle of joy.
