John Harding : Sailing's Strangest Tales (Strangest series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sailing's Strangest Tales (Strangest series):

Within these pages you'll find stories of pirates holding ships to ransom and the gruesome fates of some of the shipmates who dared cross them. The sailors forever lost in the Bermuda triangle, the poor family who were encircled

by a school of sharks to the spooky tales of the lighthouse haunted by drunkard lightship keeper John Herman. The tales within these pages are bizarre, fascinating, hilarious and, most importantly, true.

About the Author John Harding is the author of many books, including several sports histories.
