From Fernhurst Books : Sailor's Little Book: Sayings of the Sea before purchasing it in order to gage whether or not it would be worth my time, and all praised Sailor's Little Book: Sayings of the Sea:

0 of 0 people found the following review helpful. I have to say, I never picked this book ...By S. G. WeeksI have to say, I never picked this book up until I opened to read on the page my friend had bent down. It was one of his books he owned that I had inherited when he passed away. I knew I was taking it to give back to him at some point. I put it in his box his ashes went in when buried. He will be reading it forever now. I read a passage from it that the page was bent on. The book is in the ground now with his sailor friend.

A nautical medley of wit and wisdom for present-day sailors, acquired over the author's lifetime. Serious advice blends with humorous anecdotes in essential bunkside (or bedside) reading, both for sailors and for landlubbers.

From the Back CoverThis revised and updated version of the well-known nautical medley combines wit and wisdom for present-day sailors acquired by the author over a lifetime sailing. Serious advice, blends with humorous anecdotes in essential bunk-side (or bedside) reading, both for sailors and for landlubbers.About the AuthorBasil Mosenthal sailed extensively in all the oceans of the world. After leaving the Royal Navy he was a partner in one of the first yacht delivery firms. He has written many books about sailing, including Fernhurst Books' best selling Cockpit Companion and The Skipper's Pocketbook.
