Amazing Charity and Wonderful Pictures!By amzmummaThis is the first review I've ever written, but I felt compelled to do it because this coloring book is so wonderful!1) The money goes toward a great cause.2) The book has 50 pages and provides lots of information in addition to the coloring pages.3) There are some pages that are easier to color and some pages have more detail so those pages take more time. No matter which type of coloring page you like, this book will fit your tastes. I tend to like pages with more open space because the detailed work gives me a headache. I don't get a headache with these pictures.4) After reading the animal and rescue stories next to each coloring page, I donated to this charity. It's a great cause!I will be buying several of these coloring books as gifts.0 of 0 people found the following review helpful. Wonderful coloring book and we love all of the animals ...By Jennifer L SawyerWonderful coloring book and we love all of the animals at Sasha Farm. Support a great farm sanctuary while coloring pretty pictures :)0 of 0 people found the following review helpful.

Five StarsBy mwehnerThe SASHA Farm coloring book is beautiful.

This coloring book tells the story of some of the farm animals rescued by SASHA Farm Animal Sanctuary. Located in Manchester, Michigan, SASHA Farm is the Midwest's largest farm animal sanctuary. At our shelter, not only do we provide food and water, veterinary care and a roof over their heads, we also give the animal residents affection, social interaction with others of their own species, and a sense of security. The sanctuary currently shelters over 300 animals, each with its own story to tell. Some were dumped and discarded, some left to die. They have come from unhappy circumstances, often mistreated or neglected, but now have a safe, permanent home at SASHA Farm. SASHA Farm became a non-profit 501(c)(3) organization in 2001. Donations made to SASHA Farm are tax deductible, and all donations are used to ensure good quality care for our animals, both now and into the future. Thank you for your purchase of this coloring book. We hope you enjoy getting to meet some of the residents of SASHA Farm through coloring them. This book contains 21 pictures to color, as well as a photo and story that goes along with each animal featured.
