**Sharon Dunn : Sassy Cinderella and the Valiant Vigilante (Ruby Taylor Mysteries, Book 2)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sassy Cinderella and the Valiant Vigilante (Ruby Taylor Mysteries, Book 2):

0 of 0 people found the following review helpful. Two StarsBy Margaretann BustamanteOK1 of 6 people found the

following review helpful. stop preachingBy M. S. ButchThis book should have had some kind of mark or label alerting me to the fact that there is preaching on every page. I wanted a mystery -- I got endless sermons. I know plenty of people who live real christian values, and they don't go about talking endlessly about Jesus. The "romance" was really contrived, with adult people pretending there are reasons for them not to date (I couldn't find any explanation), so that Ruby could agonize on every page about how much Wesley turns her on but "alas no! I must guard against temptation!". Like a bad Victorian gothic. The mystery got lost in all this.0 of 0 people found the following review helpful. Excellent readBy Diane GThe book has more twists and turns than a roller coaster. I was captured and had to know what happened. Ruby strikes a cord with anyone struggling with being a "good" Christian. Only Jesus was perfect.

Ruby Taylor's job at the university turns interesting and it isn't long before she's in a crash course on real love and deadly university politics. It's a mystery with more twists than a silly straw. This award-winning title is guaranteed fiction!

Interwoven in this adventuresome tale are the author's wit and humor. She pokes fun at social classes, living situations, and personalities. The off-the-cuff observations make this a fun and enjoyable read and add hometown flavor to the writing. Highly recommended. (CBA Marketplace 2004-06-03)Dunn has developed characters similar to Stephanie Plum (Jane Evanovich's beloved bumbling bondsman) and Kinsey Millhone (Sue Grafton's alphabet murder detective) that CBA readers will appreciate. Readers who enjoy such novelists . . . will become fans of Sharon Dunn and Ruby Taylor. ó (Christian Retailing 2004-06-03)"Pardon the pun, but Sharon Dunn has 'done' it all in this novel, which includes just enough humor, pathos, romance, and mystery to satisfy most female readers." (Patricia Small Church Synagogue Libraries 2004-12-01) --1From the Back CoverWhen a professor at the local university dies, Ruby Taylor is hired to fill his shoes. Along with a frozen corpse and midnight intruders, this sassy Cinderella also has to deal with lost love and a family that defines the word dysfunctional. Deadly university politics turn personal as Ruby works to straighten out a mystery that has more twists than a silly straw. Praise for the Ruby Taylor Mysteries: [Ruby Taylor's] gutsy stubbornness and humorous one-liners make this mystery a fun and interesting read! The story lives up to the unique title. Well done." —Rene Gutteridge author of Boo "Readers who enjoy [Janet Evanovich and Sue Grafton] . . . will become fans of Sharon Dunn." —Christian Retailing "Ruby, a gawky six-footer, is endearing as she primes her tired old psyche for one last go at love." —John Mort American Library Association "Interwoven in this adventuresome tale are the author's wit and humor . . . a fun and enjoyable read. Highly recommended." —CBA Marketplace Sharon Dunn is an instructor and tutor at Montana State University. Even though she is an award-winning short-story writer, and playwright and the author of *Romance Rustlers* and *Thunderbird Thieves*, her cats and her kids pretty much run her life. About the AuthorSharon Dunn is causing quite a stir with her popular Ruby Taylor Mystery series. *Romantic Times* magazine nominated book one as the Inspirational Novel of the Year, and book two was honored with the ACRW Book of the Year award. Sharon is an instructor and tutor at Montana State University, but her cats and her kids pretty much run her life.
