**William F. Fleet : Sawdust and Turnip Greens** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sawdust and Turnip Greens:

"What makes you happy? Perhaps one answer would be reading Sawdust and Turnip Greens where you will enter the world of Dr. Fleet's acerbic wit, laconic prose, and rapier sharp insights. Not only has Dr. Fleet done his best for his

patients through four decades of practice, but he has done his best for his readers who will delightedly journey through Sawdust and Turnip Greens and hope that Dr. Fleet will publish even more of his tersely perceptive essays for future happy reading." Ann H. Price, MD FACP
