#5914374 in Books 2014 Binding: Staple Bound 40 pages | File size: 58.Mb

From Ellen Million Graphics : Scheherazade's Shimmy before purchasing it in order to gauge whether or not it would be worth my time, and all praised Scheherazade's Shimmy:

2 of 2 people found the following review helpful. ... have this in PDF form and it is absolutely beautiful. I've colored many of the pages (some over an over again) I like how each page can be a story on it's own. It's so detailed that you can spend hours just on one page, or you can just "go over it" quickly for a still beautiful, less detailed page. I highly recommend this artist and this coloring book. It brings out the child in yourself. Also an amazing gift for friends in the hospital along w/ colored pencils, or teenagers who are artistic and you've no idea what to get them. Personally, I plan on utilizing it in the classroom during the appropriate periods when I am lecturing on the appropriate unit on World History. 1 of 1 people found the following review helpful. but I love how it is a collection of different artists By Jenny Heidewald Ok, I am a wee bit biased, since I drew pieces for this book (Belly dancers, who can resist drawing belly dancers?), but I love how it is a collection of different artists, so I had to have one for my art book collection (I don't color in coloring books I just look at them :)). Also, there is a belly dancer moose! How can you beat that?

OUT OF PRINT. Very limited stock remaining; only 100 were printed. A coloring book of Arabian Night tales and bellydance beauties. 20 pages of exotic tales and fanciful bellydancers. Difficulty level: Pretty Darn Challenging. Staple-bound, 8.5 x 11 inches, with a heavy, glossy cardstock cover in full color and smooth, bright white, single-sided

pages suitable for pencils, markers, and most media that isn't too wet.
