Jackie Mason, one of the true kings of comedy, and his pen-pal partner, celebrity divorce lawyer Raoul Felder, go after America's lowlifes, scumbags, and everyone else who's schmucking up the world.This book spares no one. Politicians, sports stars, celebrities, corporations, publishers, world leaders—they're all fair game. If you're a crook, a phony, or just somebody who Jackie and Raoul find annoying, there is a fair chance you will be on the list.Combining insightful political satire, hilarious observations on the foibles of modern life, and impeccable timing, Schmucks! will have you crying with laughter—unless you find yourself on the list!
