Q: How many Scotsmen does it take to change a light bulb? A: Och! It's no that dark! 'Scottish Jokes: A Wee Book of Clean Caledonian Chuckles' is a collection of Scots humour with jokes old and new, and some so old that everyone's forgotten about them and will think they're new again! Have fun with this wee book of gentle laughs, with all the usual characters from Scottish funny stories: tight-fisted Highlanders, whisky-loving Glaswegians, pompous Englishmen, confused American tourists, stuck up Edinburghians and pious pillars of the kirk. If you like quick fire Scottish jokes or longer funny stories in the style of Ronnie Corbett's monologues, you'll love this book.
