Wendy Bagley : Scraps: Adventures in Scrapbooking before purchasing it in order to gauge whether or not it would be worth my time, and all praised Scraps: Adventures in Scrapbooking:

In the tradition of *Stitch 'n Bitch*, a collection of humorous essays about America's obsession with scrapbooking. Scrapbooking leads to deeper love, better health, perfect kindness, universal peace, a clearer complexion, and material wealth. Or so says Wendy Bagley, the witty author of *Scraps: Adventures in Scrapbooking*. *Scraps* is a

hysterical collection of essays celebrating this outrageously popular hobby in all its glory. True "Scrapaholics"--a.k.a. Crop Queens, Photo Fiends, and 35-millimeter Mamas--will rejoice to see themselves reflected in the pages of this one-of-a-kind send-up. Overflowing with helpful hints ("Successful scrapbooking is one percent inspiration, eighty-nine percent perspiration, and ten percent snack food.") and aspirational wisdom (see the chapter titled "World Peace Through Scrapbooking"), Scraps is the perfect gift for the scrapbooking Mom who has everything.
