Incredibly funny. Reminded me of Space Balls or Thumb Wars, except much edgier. Makes for a great gift. The look on someone's face if you gave them this would be priceless. :D

If you like Star Wars, farts, ball sacks, and Weird Al, well then, boy, are you in the right place! Take a headlong dive into the gonzo world of Star Wars that exists in Cabello's mind where you will laugh, cry, and, quite possibly, have your sensibilities offended. What more could you ask?

Scrote One is the Star Wars parody we all need! As the Star Wars universe continues to expand, it's about time we had a parody that captures perfectly the absurdities and peculiarities of this franchise. Must read!!!

The hilarious instant cult-classic, Scrote One is a loving parody of the hit Star Wars story, Rogue One. The only way to stop the Empooper and their weapon of ass-destruction, is a deadly mission lead by Jyzz Erso and the Rebel Assliance -- a bunch of scrotes... ..together they are Scrote One. When Jyzz Erso finds out her father is still alive and helping the Empooper -- the tyrannical force responsible for killing the Browneye and enslaving the galaxy - she is forced to fight alongside the Rebel Assliance to find him.
