You are the South that I remember and an excellent storyteller! I wish you and Ellie great adventures and look forward to reading your next book!0 of 0 people found the following review

helpful. If you like to feel good and be uplifted, Sean is your guy. By ngwinI found Sean on Facebook and began following his blog. His short stories made me feel good when all the news was bad or worse yet, political. When I heard that he was doing a book signing in a nearby town and I went. I then felt like he was a family member. It was like sitting on the front porch on a summer evening. In rocking chairs. Chatting with friends about life. When someone pulls out their guitar and sings a few of your old favorites. If you like to feel good, I highly recommend Sean of the South. Nikki3 of 3 people found the following review helpful. Delicious as a bullfrog biscuit and corn nuggets By Nellie Laurie From being a longtime storytelling blogger, to bringing his stories to book form, Sean Dietrich is always entertaining. His writing is quality, a mix of southern elegance and humor. The stories are believable and amusing to no end. I love the bite-size format of the stories. Just enough to enjoy during a break from work or daily life. Highly recommended, and I hope to read more from him very soon.
