Richard Morrison : Search For The Flying Fish: The Incredible Journey Of Einstien,Aggro And Swoops before purchasing it in order to gage whether or not it would be worth my time, and all praised Search For The Flying Fish: The Incredible Journey Of Einstien,Aggro And Swoops:

Einstein, Aggro, and Swoops known as the x-bugs, deliver fun, exciting thrills with large adventures and simple messages of doing the right thing as modern day super hero thrill seekers. Their mission is a simple one, educate the dirty bugs that pollute and teach them not to litter, contaminate, or stink up the environment and help them save the planet together. Their journeys take them all over the world from the beaches to the mountains and everywhere in-between. The x-bugs are action packed extreme sports enthusiast they do it all surf, skateboard, snowboard, BMX, anything extreme. Einstein, Aggro, and Swoops are the main characters in this action adventure series. The x-bugs come across litter bugs, Rex the Thesaurus, Stink Bugs, Surf Dog, Flying Fish, Octopus, and sharks. This colorfully designed, smart and action packed story is a must have for all kids ages 3-7 that want to do the right things in life and have fun doing it.
