By Kerry I've been a fan of Searle since childhood gave myself a treat of his "Cats" books. Got a great deal on this the others, which were all first editions. 0 of 0 people found the following review helpful. Five Stars By oz Love it. Ronald Searle is one of my favorite artists. This book is a wonderful addition to my library.

World renowned cartoonist Ronald Searle has satirically but lovingly portrayed his feline friends in outlandish—almost human—entanglements. A remarkably hairy cat facing a dandruff problem, a vanity-stricken balding cat wearing an unsuitable wig, and a cat of a thousand disguises concealing itself as a rug are just some of the witty full-color illustrations that everyone, but cat lovers in particular, will find irresistible.

About the Author Ronald Searle is one of the most well-known satirical artists of the 20th century. He is the creator of the St. Trinian's and Molesworth cartoons and a leading contributor to Life and Le Monde.
