**Jim Davis : Season's Eatings: A Very Merry Garfield Christmas (Garfield Classics)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Season's Eatings: A Very Merry Garfield Christmas (Garfield Classics):

Cat lovers who have a sense of humor know and love him. I know I do. I start my day with his comic strip, and his Christmas comics are some of the best. So to get all of these in one book is a bonus. However, I missed buying this when it came out and have been searching for a copy to add to my home library. This was the first time I purchased a used book from a seller through and I couldn't be happier. The seller gave me a fair price, the book is in excellent condition, and it was delivered in a matter of days. I won't hesitate to order used books through in the

future. 2 of 2 people found the following review helpful. I'm a fan of Garfield and Christmas. By G. Tyacke. Garfield's family at Christmas always shares their stories and joys and challenges and simple faith. It's wonderful every year to see what Jim Davis has come up with to warm our hearts at the most magical holiday of the year. This is an awesome collection of Garfield and family at Christmas. 0 of 0 people found the following review helpful. Garfield Christmas. By Carolyn B. Gatliff. I got the paperback for a stocking stuffer and ordered this hard cover book when I saw how much fun the older children had reading Garfield cartoons. It is really a beautiful, funny, any-age-type book.
