Nicole Kallis : Secrets of a Tee Time Girl: Golfers, Scandals and the Beverage Cart before purchasing it in order to gage whether or not it would be worth my time, and all praised Secrets of a Tee Time Girl: Golfers, Scandals and the Beverage Cart:

0 of 0 people found the following review helpful. ... realism that she writes is so very true and funny. Enjoyable book that I would recommend for anyone ...By Edward W NienaberI have been golfing for years and the realism that she writes is so very true and funny. Enjoyable book that I would recommend for anyone who golf and has ever bought

anything from the cart girl. I actually started tipping a little extra since I read this book.0 of 0 people found the following review helpful. Typical Garbage TaleBy Kindle CustomerThis book is so predictable that after the first chapter you know what's coming. A sensationalized story of a very boring activity.0 of 0 people found the following review helpful. Great book. Really interesting for sureBy AllyCatGreat book. Really interesting for sure.

This is a Beverage Cart Girl's -- Are You Experienced? They lurk in the background, sidling up to you on sleek, motorized carts and offering you everything from golf balls to cold beer to some of the best Bloody Mary's ever. Known to golfers everywhere as "beverage cart girls" or "tee time girls," these gorgeous gamine are more than just pretty faces. They are to golf what the US Coast Guard is to boaters and the St. Bernard is to skiers. They are a lively, observant, and witty bunch and if you don't watch your step, you might just find yourself going thirsty until you can make it to the 19th hole! This hilarious collection of witticisms, reflections, and observations takes a look at the golf course and golfers from the unique perspective of the beverage cart girl-to some, the most important person on the links outside of a blind score keeper. So sit back and enjoy while keeping in mind these two very important things: 1) this book costs about the same as a couple of cocktails-but it will last longer and make you feel a heckuva lot better; and 2) best of all, it's almost all true!

"An irresistible read...Kallis captures the raw person behind the golf mask." -- Mike Cinquemani, author of "Fish Tales""Kallis is warm and employs ample cleverness, quick wit, and a few satisfying regressions into tongue-in-cheek innuendo." -- Caribbean Golf Magazine, Florencio Marina Duran, June 2005"Kallis' humor is the perfect counter to golfers who can't help but turn into giggling boys when she drives by." -- Golf Digest, Ron Kaspriske, March, 2005"Nicole Kallis has a wicked wit and sweet compassion that offers an original and entertaining look at golf and golfers." -- Jeff Lichtman, author of "Baseball for Rookies""Nicole Kallis struck better than gold when she dug into her experiences as a golf course beverage cart girl." -- Kathleen Kelly Sprissler, author of "Par for the Corpse""While the book has it's share of sex, it offers an irreverent insight into the mind and behavior of golfers." -- San Diego Union Tribune, Tod Leonard, December 21, 2004From the PublisherSee Author commentsFrom the AuthorHi everyone and thank you in advance for your interest in my book. Yep, I am a beverage cart girl and these are some of my experiences and views of golf. It is definitely not what you see on T.V(snore). Golf is so much more dynamic and golfers are some of the best people I know. This is real golf, real people, and really funny! The Beverag Cart Girl gets to see it all and now she is sharing her secrets... my secrets, shhhh, in my new book.
