Not to much information but nice story on how lures are developed.0 of 0 people found the following review helpful. Five StarsBy Kayla HayesGreat book with great fish stories about how each angler came to make their flies.0 of 1 people found the following review helpful. Another great bookBy J. HalvorsenThis is one of my husband's favorite book. Lots of info, easy to read, and great to go back to over and over again.

As more and more anglers are discovering, saltwater fly-fishing is the ultimate challenge. Now noted photographer and avid fly-fisherman f-stop Fitzgerald gives the sea anglers a unique resource covering flies for all the most common game fish. '
