**Philip Gardiner : Secrets Of The Serpent: In Search Of The Sacred Past** before purchasing it in order to gage whether or not it would be worth my time, and all praised Secrets Of The Serpent: In Search Of The Sacred Past:

Across time and across the world, an ancient serpent cult once dominated mankind. Then a great battle ensued and Christianity stamped it's authority on the face of the planet. Now, after years of research, the real religious history of

the world can be told. In *Secrets of the Serpent*, Philip Gardiner for the first time reveals the world's most mysterious places were once sacred to the Serpent Cult. The history and mythology of the so-called reptilian agenda and alien visitation in ancient times now has a solid opponent - giving answers for the many symbols and myths often confused by those who believe in such things. In *Secrets of the Serpent*, the author reveals the real "bloodline" spoken of by Dan Brown in the *Da Vinci Code*- it was in fact a serpent bloodline. Philip Gardiner is the international best selling author of *Gnosis: The Secret of Solomon's Temple Revealed* and many more books. The truth shall be found in the *Secrets of the Serpent*
