Happiness is Classic Peanuts! These collector's editions perfectly recreate the original look and feel of the best-loved Peanuts books—their paper, their ink, even their lamination. And of course, the heartwarming content that charmed the world, sold millions, and launched the career of Charles M. Schulz remains untouched. On every spread there's a tiny tidbit of wisdom from one of the gang, along with one of Schulz's irresistible drawings. It's a trip down memory lane that every Peanuts fan will cherish.
