This book is full of hilarious, useless information as you would expect from Miranda. You can really tell how much work Colleen put into it though, she did an amazing job. 5 stars ??????????0 of 0 people found the following review helpful. Great Book!By CustomerReally funny. It refers to showing to much cleavage as "porn". Parents might find this inappropriate but it is something Miranda would say in her videos. The book is creative and well-made. It is definitely satire so I would not take it seriously.1 of 1 people found the following review helpful. Kids loved itBy Isabella's momIf your kid loves Miranda as much as mine do, I feel sorry for you too. Kids love the book and passed it to their friends to read.

In this decidedly unhelpful, candid, hilarious "how-to" guide, YouTube personality Miranda Sings offers life lessons and tutorials with her signature sassy attitude.Over six million social media fans can't be wrong: Miranda Sings is one of the funniest faces on YouTube. As a bumbling, ironically talentless, self-absorbed personality (a young Gilda Radner, if you will), she offers up a vlog of helpful advice every week on her widely popular YouTube channel. For

the first time ever, Miranda is putting her advice to paper in this easy-to-follow guide, illustrated by Miranda herself. In it, you'll find instructions on everything: how to get a boyfriend (wear all black and carry a fishing net), to dressing for a date (sequins and an orange tutu), to performing magic ("Magic is Lying"), and much, much more! Miranda-isms abound in these self-declared lifesaving pages, and if you don't like it...well, as Miranda would say... "Haters, back off!"

About the Author YouTube personality Miranda Sings, created by comedian Colleen Ballinger, is a hilariously underwhelming "singer, model, and magician." Known for her comically toneless singing, terrible advice, and in-your-face red lipstick (applied well outside of her lips, of course), Miranda never fails to elicit hysterical laughter. From collaboration with super "Mirfanda" Jerry Seinfeld, to drawing millions of fans around the world, to live performances, to wowing the world with her original single "Where My Bae's At?", Miranda dominates both the "innernet" scene and live audiences in the United States, Europe, and Australia. She lives in Tacoma, Washington where she works to keep her many "baes" in line.
