Nonsense Monk : Sense(No): Sense(No) before purchasing it in order to gage whether or not it would be worth my time, and all praised Sense(No): Sense(No):

0 of 0 people found the following review helpful. Monk's rounded use of vocabulary delivers brilliant, originalBy Thatcher ColeThis book was hilarious! Bravo!N. Monk's rounded use of vocabulary delivers brilliant, original, insightful, wise, truthful nonsense, but sense on a wide variety of subjects. One can read bits and pieces by themselves, but when read cover to cover it explodes. I suspect the apparent randomness was not random at all, but arranged,

composed. The toast. I got that! lol! I'm left to wonder, did he draw the drawings first, or write the writings first? I hope you're working on more of these, N. Monk. 1 of 1 people found the following review helpful. The Monk is punk By Debb Brant I liked it. I knew the author long ago, and his sense of humor carried through to this book. 0 of 0 people found the following review helpful. This one is prominently on my bookshelf. By Freshwreckage Great book with a fusion of ancient humor, modern wisdom and a poetic gait that would make Gene Kelly Cry. Loved the artwork as well. Write more. Write it faster. Write it now.

Sense(no) is the first collection of nonsensical wisdom from the reclusive yet witty Nonsense Monk. A rhyming humorist for adults, this generously illustrated book covers a wide and deep range of topics, from the sublime to the silly, all told in fun to read light verse. This unique book will delight, entertain, and (who knows?) maybe even enlighten you.

About the Author Nonsense Monk lives in St. Paul Nonsense Monk knows close to all Nonsense Monk has collected his words When he's on vacation, feed Nonsense Monk's birds It's not that he's all that mysterious He takes his work quite serious But downward translation is hard When distilling from a universe to a card Nonsense Monk can be sardonic Many of his words might be ironic He seems to strive to be iconic Some of his visions come with gin and tonic
